TH STATUS	Sadie is Isabelle's show heifer of 2015 and was Grand or Reserve overall 8 times and was Grand or Res Chi 12 times. For where the Chi breed has gone this bull has a great pedigree as he is a 2CM and is 12.98% Chi meaning his offspring are over 6.25% alone out of non registered cows. This bull is good sized, big legged, stout made, good structured and hairy. Sadie was hairy as a YAK and the best part is that he is THF and PHAF. Get on board now! Out of a first calf heifer and then we flushed her already last spring, I mean to tell you this cow is up and coming at our place. Owned with Isabelle Schultz. Retaining semen interest for in herd use.

TH STATUS	Tricky has been a once in a lifetime donor for us and the Reitzenstein family. She has worked to a wide variety of bulls, but these Style females out of her have been especially good. We love correctly structured, maternally oriented females and that's exactly what this little cow is. Also, did I mention that she is bred to Daddy's Money? I have a feeling we are going to regret letting this one go. Seller retains the right to one successful flush at the sellers expense and the buyers convenience.

TH STATUS	Bandwagon on Greta, doing just what every Greta does, gets better every day! He's built with the added rugged power you expect from the Simmental breed, yet the flash of cool from the Chianina. Breed him to your Simmental cows to square them up, add style and hair--breed him to your Chi/Maine or clubby cows and he'll throw in added performance. You choose, but you can't go wrong. A bred maternal sister sold in this sale last year for \$30,000.

Speckles for short for DBCR Miss Spectacular 645D was an eye catcher from birth. Her standout color and elegant build has made her a favorite by many visitors. After many famous bulls have been guessed for her sire I break the news that she is out of our new standout herd sire that we purchased from the Classic in 2015. He is TH and PhA free. This heifer is young showman friendly. For more updates check our Facebook page Benes Cattle Company-Charolais.
