Coming 2 year old, awesome EPD’s, and low BW all in a stylish package ready to go and breed cows for you! Some of the best LT genetics packed together in this one’s pedigree.

A smooth made bull with excellent feet and free moving. Out of a very productive coming 10 year cow that never misses.

Stout and ready to go. This big boy goes back to the Keys Ten-Acious 166S productive coming 10 year cow that never misses.

This long bodied Ledger son has the age and power to handle a lot of cows. He has performance in a calving ease shape.

Here he is! Another Drink In My Hand son. I can’t say enough about these Drink sons. They combine meat, muscle, and performance with style. This August born bull is no different and comes from a great cow family. His dam 727 is a 10 year old cow that has stayed in the herd for a reason. Take a look.

6202 is a summer coming 2-year old out of a heavy milking Tuffy daughter we bought from Doll Ranch in North Dakota. Our Rapid Fires are moderate, heavy muscled and easy keeping. Selling 3/4 interest and full possession.
A son of the hot, young, EPD bull, Bells & Whistles. Bells & Whistles progeny are topping sales all over the country.

Calving ease herdsire prospect. Dam was 13 years old. 3163 is the dam of Wells The Ultimate who was Lead off bull in our NWSS Reserve Champion Calving ease herd bull.

This is a calving ease son of the popular Ledger. His dam is a great uddered, pen of three in 2011. Wells The Ultimate who was Lead off bull in our NWSS Reserve Champion Calving ease herdsire prospect. Dam was 13 years old. 3163 is the dam of Wells The Ultimate who was Lead off bull in our NWSS Reserve Champion Calving ease herd bull.

This bull, believe it or not, was produced by a first calf heifer. If you study his live numbers and EPD’s you can see that he is balanced from top to bottom and is in the top 1% of the breed for weaning EPD. This bull has been 50K DNA tested so his EPDs should be very accurate. The bull and his dam won Champion Charolais Cow Calf Pair at the Junior Beef Expo in Norfolk where Judge Mark Core made several complimentary remarks about a bull with a great future. The cow and bull also won their class at the 2017 Charolais Junior Nationals in Grand Island. This cow family has been an asset to our operation the last few years and for that reason we are selling 2/3 interest and retaining 1/3 semen interest. We plan on using him extensively in our A.I. program.

This is a calving ease son of the popular Ledger. His dam is a great uddered, deep bodied daughter of the legendary Fasttrack. A heifer bull with an added shot of performance.

Milestone is a homozygous polled bull that offers a tremendous pedigree of consistency. His sire, WC Milestone topped the WC sale at $125,000 and is one of the best bulls I have seen, dam is a maternal sib to LT Western Edge 4057. Look hard, here as he is a calving ease option with a look of a herd bull.

HMC Gambler’s dam was my pick of the Benes Cattle Company online sale in 2015. She was Reserve Champion Charolais in the Nebraska State Fair 4H division in 2016. In 2017 I showed Gambler at the State Fair in the FFA bull division and he was named Champion Charolais Bull and Reserve Supreme Champion bull. His EPD profile, show ring success and his pedigree which combines two of the tops sires, LT Ledger mated to a WR Wrangler daughter to make Gambler an all-around versatile bull for any program.

The mother of this bull is a daughter of our National Champion Charolais Female, Cardinals Lady G176P. She has one son working for Shropshire Farms in Oklahoma and we have multiple daughters in the herd. Sired by Tiago, the Herdsire for Chris Black, Crawford, OK and Joe Faris, Woodward, OK. His first calves are turning heads!

Chaz is out of our donor LaFraise Charm who has been a great producer of semen interest. He is sound made, attractive, stout, and has the center body and depth that makes you sleep all night with no calving worries, then just watch them grow. This bull is extremely versatile. Sired by the high-selling Milestone and out a Ledger I feel confident that we have brought a good one to town. This bull is extremely stylist for not having any Firewater in his pedigree. Freedom has it all from top to bottom. He has a beautiful front end, great wheels, and enough mass and depth to suit anyone. He also carries tremendous performance he indexed 108 for weaning weight with a 830 Adj. WW. He also lands in the top 5% of the breed for both weaning and yearling weight EPD’s. Freedom was shown as a calf at the 2017 NE State Fair and was awarded the Reserve Champion Charolais bull. It is hard to let this one go because he is for sure a herd sire. This Raile bull is stylish in profile, long necked, good footed and is loaded with class and pedigree. This is a sound bull that is going to add performance to your operation. He will make an outstanding herd sire.
Full sib ET to the JC Nelson Bull everyone admired. No duds from this mating, dam was flushed to Monopoly by Jeff Pope and every calf was a ‘standout’. Just imagine these two sires in your herd. Every calf will be the same, sale toppers.

And yet another, full sib, peas in a pod. Look a likes, as will be their calves. Older bloodline so numbers aren’t comparative to today’s Sires, but these boys will sire the most awesome performance offspring around, and they will all be the same. You have my word on it!

This bull is a full sib to the 2015 Champion Charolais Female and a maternal sib to the 2014 Reserve Champion Charolais Female at The Nebraska Cattlemen’s Classic. This being the first bull out of the 778 cow had me wondering if the bulls out of her would be as good as the heifers and they are. Big stout easy doing type of bull that will work great in a lot of types of operations. This bull is 50K DNA tested.

Great opportunity here! A female that will hit the show ring with force and then be a fantastic cow. This heifer is so sound at the ground and moves impecably. She’s long spined, huge middled, stout made yet has an ultra feminine and broody look. Extremely well-balanced EPDs and a great pedigree. Take this one home and watch her work for you!

We purchased this heifer to go to the Junior National for the grandkids and we had a great year. We picked a bull that may give you a great prospect. Bocepos was national bull calf champion in Louisville as well as bull calf champion in Kansas City & Denver. He won Kansas City this year. We are going to offer two strawes of this bull with this lot.

An extremely high-quality female here. She is an own daughter of the one and only TR MR Firewater and out of our up and coming donor '1729' which is a full sib to the ever popular and well known '0641' donor, who has written her own pages in the history book of the Charolais breed. This bloodline has produced more high sellers, national champions and donor cows across the country than any other in the history of the breed. Breed her for purebreds or to club calf bulls and you win either way! Check her video out at www.millercattle.com.

This heifer has so much style you can buy with confidence and take her to Des Moines next June for Jr. Nationals and be really competitive. She’s a total outcross to most highly used genetics in the Charolais breed. After Wienk’s mature cow herd dispersal, Design semen skyrocketed to over $500 a unit. A complete and total reflection of the quality of cows sired by him in that sale! Don’t miss her in Kearney.
