This direct son of Eagle Scout has already won a division at the National Chiangus Show in Louisville, Kentucky! You must love this bull for the excellent muscle shape and balance he offers with such a soft look. Structurally correct in his skeleton standing still and in motion, this young herd sire is going to make some excellent daughters!

We think a lot of this bull. A young herd sire that checks all the boxes. A bull that we would like to collect and use back in our own herd.

This Style daughter shows you why the Style cattle have been dominating the show rings across the country. Excellent fundamentals with arrogant show appeal. This female is built right from the ground up, tremendously long spined and deep ribbed, square hiped, with that long, smooth feminine muscle shape. She really drives off of her feet and legs. She is 9.95% registered Chi!!! That makes her high % Chi and can show at Junior Nationals and all the majors. Study her and you can tell she will compete at the majors.

Here is a direct daughter out of our 2011 National Champion Chiangus Female JHC Annabelle X678. A future Champion herself, First Lady comes right off the top of the heifer group. Extremely attractive, cat like on the move with club calf type hair.

Safe in calf to Simplify. Due March 24th. Never exposed to a bull and stuck on the first try. This combination of breeding should be a home run. The way the Simplify calves sold last fall this heifer should provide a quick return on your investment. The work is done here. Buy with confidence. Selling with Marissa Meduna.

AI Sire..... KBSC Simplify 22C
AI Date..... 6/15/2018
