	Tattoo.....522F	Polled	
	ColorRed/White	Registered	

Shy is another young heifer brought to you by Bolte Farms. She has a lot of growing to do, but we think she will develop into a heifer that will hold her own in the show ring and will be able to come back to a herd and raise other show prospects.

HEIFER**2****JOSH TAYLOR**

Composite Charolais	Calved 3/10/2018	Open	Sire: TR PZC Mr. Assertion (Gunsmoke) Dam: Avery (Monopoly)
	Tattoo..... F1581	Polled	
	ColorWhite	Registered	

Here is a heifer that is very attractive from the side, super elegant through her neck and shoulder, yet still has enough power to be competitive in the show ring and go on to be a functional cow. One that is extremely fluid on the move, and has an awesome hair coat. First year showman gentle.

HEIFER**3****BEACH FAMILY CATTLE**

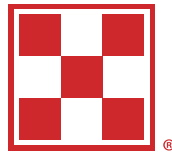

Composite Charolais	Calved 4/20/2018	Open	Sire: Huff N Puff Dam: American Idol
	Tattoo..... 3	Polled	
	ColorGrey	Commercial	

This heifer will be a great purchase for any 4-Her. Great attitude, great hair, and can be shown as a market, or breeding heifer. Definitely one I would recommend to keep for a growing cow herd, due to the track record of her mother for raising good calves.

HEIFER**4****BENES CATTLE CO**

Composite Charolais	Calved 5/21/2018	Open	Sire: BCC5 Sancho (Purebred Charolais) Dam: BCR Ms Texas Tornado (50% Charolais)
	Tattoo..... 862	Polled	
	ColorGrey	Registered	

This fancy late May calf is out of our son's Texas Tornado, Composite Charolais that he successfully showed 4 years ago. This heifer's dam is also a maternal sibling to the Italian Stallion steer that we called 'Fat Albert' that we showed successfully 3 years ago. Nice thing about these true late born heifers is they look super fresh for the summer shows. Gentle heifer with tons of nice hair.
