Cindee has everything a 75% Lim-Flex should have. Huge ribbed, power, extremely sound, with a long attractive neck. She's the easy keeping kind with plenty of pizzazz. Here's a promising cow prospect to fill your replacement pen with daughters.

As her name entails this dark red female is sure to catch your eye with her blend of femininity, balance, and style. She already caught the judge's eye at the Nebraska State Fair, as the Reserve Calf Champion. One of the first females to sell by the 2016 Reserve National Champion Bull, who turned heads of people in all breeds while on display at the 2018 National Western Stock Show. She qualifies as a Lim-Flex and is eligible to show in the commercial division at the North American Junior Red Angus event to be held in Grand Island.
